RIELLO

High Efficiency Condensing Gas-fired Boiler

• www.RIELLO.com/north-america

1,000 - 4,000 mBH

Pre-Packaged Boiler Plant

Efficiency up to 99%

superior redundancy

Turndown ratio up to 40:1

ease of maintenance

High Efficiency Condensing Gas-fired // Dual Fuel Boiler

3,000 - 10,000 mBH

Designed for Condensation

Efficiency up to 98%

No minimum flow rates

Stainless steel construction

Replacement Burners

Gas-fired // Dual Fuel Burners

Fully Modulating Operation

Digital Linkageless Burner Management System
